

## We have started handling bagels of KAMOGAWA BAKERY.

Heart Friend Co.,Ltd. is pleased to announce that it will start selling bagels made at KAMOGAWA BAKERY at some stores in Kyoto City on Saturday, April 5.

Our company sells four products: Premium Whole Wheat Bagels, Double Chocolate Bagels, Matcha White Chocolate Bagels, and Tomato Pizza Bagels.

KAMOGAWA BAKERY is a bakery with 3 branches in Kyoto. They mainly sell bagels. The main store is located about 100 meters west of the Fresco Kawaramachi Marutamachi branch. It is located at the intersection of Marutamachi and Kawaramachi streets.

KAMOGAWA BAKERY's bagels are made with Yumechikara flour from Hokkaido and beet sugar from Hokkaido, which is characterized by its elegant and mild sweetness. Each bagel is made by hand by artisans using a method that maximizes the goodness of domestic wheat, and you can enjoy the rich flavor, sweetness, and chewy texture.

The bread making motto of KAMOGAWA BAKERY is to emphasize the taste of the ingredients so that the bread is healthy and delicious. From Saturday, April 5, bagels will also be available at frescos in Kyoto, so please try them. \*The number of available items is limited.
